

Electronic Payment • Technology Integration • Digital Commerce • Advisory Services

Agent Creation And Activation Process

- Agent submits all the required documentation and makes initial payment of **₦10,000 minimum** Trading capital
- Interswitch Inclusion confirms payment, verifies agent submitted documentation and sets up agent Trading Account within **2 working days**.
- An automatic 4-digit **default** and **inactive** PIN, confirming Agent Trading account is created will be forwarded to Agent's email address -used for the registration.
- A **second** 4-digit PIN is sent to the Agent's email address. This is the active PIN used for the Agent account activation. ***Agent should wait for this second PIN before login***

Transaction Devices/Channels

- Mobile Phone -App ChannelCurrently available
 - Laptop/PC -Web ChannelCurrently available
 - POS Under development
 - USSD Under development
-
- Where Agent is using a mobile phone to transact, Agent will be required to download the Quickteller Paypoint app into his phone from the app store
 - Where the agent elects to transact via a laptop/PC, agent needs to access the Quickteller Paypoint solution via the web access - www.quickteller.com

Agent Login Process

- Agent shall login to the app or solution using the following details:
 - Agent phone number used for the registration
 - Agent second/activation PIN received from Quickteller
- Upon first successful login, Agent is prompted to change the activation PIN to Agent's preferred/chosen PIN
- Agent changes activation PIN to agent's preferred PIN and begins to transact

Agent Activation Issues & Support

- Agent should double check both his **inbox** and **junk folder** to confirm receipt of activation PIN. If agent doesn't receive activation PIN, Agent should call IFIS customer care for support
- If agent receives activation PIN but gets an error upon attempting to log in, agent should confirm the inputted number and PIN are correct.
- If agent has confirmed Phone Number and PIN but error persists, agent should call/mail the IFIS customer care for support
